Cancellation of "Loan" to CAVATINA 3

Reference: HQ-W-14862; MEM-A-9620

1. At the time he requested the "loan" from ☐ CAVATINA 3 was one of our unpaid sources on the activities of CAVATINA 6. Since CAVATINA 3 was in dire financial circumstances, it was decided to grant the loan in order to provide us with a measure of control through indebtedness. When the money was given CAVATINA 3, we realized that the chances of repayment were slim.

2. Since CAVATINA 3 is still in financial straits and certainly in no position to return the "loan" if we were to press for payment, we have requested that the "loan" be written off as payment for services rendered.

3. Naturally, CAVATINA 3 will not be informed of this action so that if, in the future, a situation should arise where his cooperation might be of value, request for repayment of the loan could still be used as a control over Subject.
